

**WILLI SCHAEFER RIESLING MOSEL GRAACHER TROCKEN 2021**

Delicate nose of fresh garden herbs, red apple and reine claude plums. Bright and forthright medium-bodied palate with plenty of energy. Very crisp finish with impressive depth for the vintage. Mostly from the Himmelreich GG site with a small amount of grapes from the Domprobst GG site. Drink or hold. Screw cap.

**WILLI SCHAEFER RIESLING MOSEL GRAACHER DOMPROBST KABINETT 2021**

Stunningly refined nose with beautiful aromas of white currant, aromatic apple, ripe gooseberry with a touch of fresh sage. Wonderful interplay of delicate fruit, compact structure and mineral freshness. So dynamic and refreshing at the super-racy finish. Drink or hold.

**WILLI SCHAEFER RIESLING MOSEL GRAACHER DOMPROBST KABINETT (AUCTION WINE) 2021**

Extremely complex nose of nutty, old-fashioned apple and ripe mirabelle with a whole garden of fresh herbs. Wonderful juiciness, but also tremendous structure behind all the fruit. Very compact, long finish that is super-refreshing. Excellent aging potential. Limited production. Drink or hold.

**WILLI SCHAEFER RIESLING MOSEL GRAACHER FEINHERB 2021**

Striking nose of crisp pear, parsley and spring meadows. All at once this is wonderfully juicy, very vibrant and crystalline. Long, very crisp, but polished finish. An expressive and well-structured wine that many years ahead of it. 100% from the Himmelreich GG site. Drink or hold. Screw cap.

**WILLI SCHAEFER RIESLING MOSEL WEHLENER SONNENUHR SPÄTLESE 2021**

Very cool and restrained for this famous vineyard site, but there is some of the floral beauty that we associate with it. The excellent balance of juicy stone fruit character and vibrant acidity runs right through the long, super-clean, stony finish. Limited production. Drink or hold.

**WILLI SCHAEFER RIESLING MOSEL GRAACHER DOMPROBST SPÄTLESE (AUCTION) 2021**

What a beautiful Mosel riesling Spätlese! Extravagant yet refined nose of super-ripe peach, hibiscus, and exotic fruits. Fabulous elegance on the palate, behind which lies tremendous tension and serious concentration. So much mineral energy at the very long pristine finish. Drink or hold.

**WILLI SCHAEFER RIESLING MOSEL GRAACHER HIMMELREICH KABINETT 2021**

At once cool and restrained, yet ripe and aromatic. Plenty of yellow apple and mirabelle, but also ripe pear and delicate fresh herb aromas. Super bright and precise, this has a seriously racy personality and tons of extract at the very crisp and focused red apple finish. Drink or hold.

**WILLI SCHAEFER RIESLING MOSEL GRAACHER DOMPROBST SPÄTLESE 5 2021**

This very serious Spätlese has a striking nose of pomelo, white currant, fresh parsley and lemon balm. Although this is barely medium-bodied it has a very compact structure and a super-minerally acidity. At the long, exciting finish this turns decisively in the direction of fresh pineapple. Limited production. Drink or hold.

**WILLI SCHAEFER RIESLING MOSEL WEHLENER SONNENUHR AUSLESE 2021**

A super-elegant and refined Auslese with tremendous structure and luscious peachy fruit. Takes off like a rocket to Mars at the super-concentrated finish. I love the jasmine and exotic aromas that develop with a little aeration. Great aging potential. Drink or hold.
