WILLI SCHAEFER RIESLING  
MOSEL GRAACHER TROCKEN  
2024

The apple, quince and Mirabelle plum aromas are both effusive and delicate. Then comes the racy, light- to medium-bodied palate that is intensely minerally, which may be too much for some. I love the long, very cool and slately finish. Drink or hold. Screw cap.

WILLI SCHAEFER RIESLING MOSEL  
GRAACHER FEINHERB 2024

The verdant beauty of the Mosel Valley in a glass. I love the effusive aromas of spring meadows and blossoms. Very precise and filigreed on the barely medium-bodied, off-dry palate. At once juicy and delicate through the long, tingling, wet-stone finish. Drink or hold. Screw cap.

MOSEL WEHLENER SONNENUHR  
KABINETT 2024

No drama here. Instead, this sleek beauty creeps up on tiptoes and gently weaves its way into your heart with its floral lightness of body. In spite of the juiciness on the mid-palate, it retains wonderful delicacy in the long, crisp, wet-stone finish. Drink or hold.

GRAACHER DOMPROBST SPÄTLESE

This Spätlese marries deep and subtle stone fruit aromas and a touch of cassis with terrific succulence and wonderful delicacy. The subtle hint of spirtz underlines this beautifully on the barely medium-bodied palate. Super-refined and precise finish that's just off-dry. Drink or hold.

GRAACHER HIMMELREICH  
SPÄTLESE (AUCTION WINE) 2024

Yes, this wine is off-dry, and yes this category is unfashionable, but the floral beauty and the stone fruit juiciness of this filigreed and extremely precise Riesling are totally breathtaking. Then comes the incredibly brilliant slately finish that lights up the dark world for a long moment that doesn't want to stop. Drink from release.
