**2024 Weingut Willi Schaefer Graacher
Himmelreich Riesling Spätlese #24
(Versteigerung Grosser Ring 2025)**

From two parcels of very small, golden-yellow berries with thin, almost transparent skins, the 2024 Graacher Himmelreich Riesling Spätlese #24 (Versteigerung Grosser Ring 2025) offers a precise and concentrated yet still a little reductive bouquet of ripe and concentrated white fruits intertwined with lemon and herbal nuances and crystalline slate notes. Mouth-filling, refined and elegant on the palate, this is an intense and rich yet highly refined, crystalline, saline and elegant Himmelreich Spätlese with a stimulating and mouthwatering finish. This is a beauty of the vintage in terms of clarity, lightness, finesse and elegance. Only 500 bottles were auctioned in November 2025 after the wine aged in stainless steel and glass balloons. 7.5% stated alcohol. Natural cork. Tasted at the domaine in January 2026 (AP 24 25).

(Versteigerung Grosser Ring 2025)**

The 2024 Graacher Domprobst Riesling Kabinett #01 (Versteigerung Grosser Ring 2025) is deep and subtle, highly refined and seriously intense and precise on the nose, with intermingling saline and coolish smoky notes and concentrated but very fine, elegant fruit aromas. The wine is savory, elegant, refined and crystalline on the palate, with charming ripe, sweet and finely juicy fruit that reveals very delicate, crystalline salinity on the finish. This is a beautifully refined, balanced and highly delicate Domprobst with a savory finish. It will age very well. 7.5% stated alcohol. Natural cork. **2024 Weingut Willi Schaefer Graacher
Himmelreich Riesling Kabinett**

The 2024 Graacher Himmelreich Riesling Kabinett is clear, super precise and rather coolish on the elegant and subtle nose that shows ripe peach and just-ripe mango aromas intertwined with notes of herbs and broken and weathered blue and gray slate. Light but fully flavored and textured, this is a crystalline, remarkably refined and charmingly mouth-filling Kabinett from the dramatic steep slope framing the village of Graach and the embedded Domprobst. The finish is clear, fresh, filigreed and lively with minerality due to the fine, slate-inflected phenol grip and its crystalline nature. The 7.5% stated alcohol. Natural cork. Tasted at the domaine in January 2026 (AP 2 25).

2024 Weingut Willi Schaefer Graacher Domprobst Riesling Kabinett #03

The 2024 Graacher Domprobst Riesling Kabinett #03 is deep, refined and coolish yet also a little reductive or sulfurous on the nose at this stage. Ripe white and yellow stone fruit aromas intertwine with stony and flinty notes of cold smoke, giving a superb, very sophisticated first impression of a really noble Kabinett. On the palate, this is a refined, elegant, mouth-filling but also savory, structured, enormously fresh and mouthwatering Kabinett. It is, at this early moment, a little bit more austere and stony than Himmelreich and Sonnenuhr. This is a real character that was bottled at the end of April 2025 with 7.5% stated alcohol. Natural cork. Tasted at the domaine in January 2026 (AP 03 25).

2024 Weingut Willi Schaefer Wehlener Sonnenuhr Riesling Kabinett

The 2024 Wehlener Sonnenuhr Riesling Kabinett is clear and filigreed on the bright nose, intertwining just-ripe apple and white peach aromas with delicate saline notes of broken slate and green herbs. Round and sweet or lush on the palate, with texture and tropical fruit flavors and ripe, perfectly integrated acidity, this a mouth-filling, refined and beautifully balanced Kabinett with perfect roundness and remarkable finesse. It is absolutely gorgeous, thanks to the fine salinity and slate finesse on the aftertaste. This is a picture-book Kabinett for the 2024 vintage. 7.5% stated alcohol. Natural cork. Tasted at the domaine in January 2026 (AP 19 25).

2024 Weingut Willi Schaefer Graacher Riesling feinherb

The 2024 Graacher Riesling feinherb is deep and delicate on the nose, which is dense but restrained in terms of aroma, characterized by yeast and the timing. The palate is elegant, delicately juicy and balanced, thanks to a subtle off-dry sweetness that enhances the juicy Riesling fruit, and it therefore exudes more charm than a sharp-edged, dry Mosel Riesling. This wine is made exclusively with grapes from the Graacher Himmelreich vineyard, which is higher than the Domprobst. However, the fact that only these grapes were used for the 2024 Graacher has everything to do with the taste of the fuder. "Coincidence," says Christoph Schaefer. 10.5% stated alcohol. AP 7 25. Screw cap. Tasted at the domaine in January 2026.

2024 Weingut Willi Schaefer Graacher Riesling trocken

The 2024 Graacher Riesling trocken offers a restrained, rather muted bouquet of light fruits and delicate notes of Mosel slate. Elegant and juicy, with a fine, crystalline structure, this is a medium-bodied, balanced and pleasantly textured Riesling from the top vineyards of Graach, Domprobst and Himmelreich. This is a very good estate Riesling that was aged in traditional fuders and bottled in late April or early May 2025. 11.5% stated alcohol. AP 6 25. Screw cap. Tasted at the domaine in January 2026.
